This announcement contains forward looking statements, including statements of current intention, strategy, opinion and predictions as to possible future events. Forward looking statements should, or can generally, be identified by the use of forward looking words such as believe, expect, estimate, will, may, could and other similar expressions within the meaning of securities laws of applicable jurisdictions, and include but are not limited to the expected outcome of the Acquisition. Indications of, and guidance or outlook on, future earnings or financial position or performance are also forward looking statements. Such statements are not statements of fact and there can be no certainty of outcome in relation to the matters to which the statements relate. These forward looking statements involve known and unknown risks, uncertainties, assumptions and other important factors that could cause the actual outcomes to be materially different from the events or results expressed or implied by such statements. Those risks, uncertainties, assumptions and other important factors are not all within the control of Boral and cannot be predicted by Boral and include changes in circumstances or events that may cause objectives to change as well as risks, circumstances and events specific to the industry, countries and markets in which Boral operates. They also include general economic conditions, exchange rates, interest rates, competitive pressures, selling price, market demand and conditions in the financial markets which may cause objectives to change or may cause outcomes not to be realised.

None of Boral or any of its subsidiaries, advisors or affiliates (collectively, "Boral") makes any representation, assurance or guarantee as to the accuracy or likelihood of fulfilment of any forward looking statement or any outcomes expressed or implied in any forward looking statements. Statements about past performance are not necessarily indicative of future performance.
