nationally. In Concrete, plants were upgraded in West Gosford NSW and West Burleigh QLD. Quarries secured over 100mt of quarry reserves and commenced the upgrade of the Townsville quarry plant. Asphalt upgraded the Deer Park plant to increase recycled materials and upgraded the Moolap hot bins in VIC, as well as a bitumen tank upgrade at Toowoomba in QLD.

FY24 Priorities

Our FY24 priorities are aligned with our Good to Great strategy 2023-2025.
